

## Exercise 7-8

1. Continue from Exercise 7-7 or start AutoCAD.
2. Start a new drawing from scratch or use a template of your choice. Save the drawing as EX7-8.
3. Set the **Endpoint**, **Midpoint**, and **Perpendicular** running object snaps and practice using them in at least two situations. Create drawings similar to Figure 7-6, Figure 7-7, and Figure 7-14.
4. Change the running object snaps to **Center** and **Tangent**, and use each twice to create a simple drawing. Create drawings similar to Figure 7-8 and Figure 7-16.
5. Discontinue running object snaps.
6. Resave and close the file.
7. Keep AutoCAD open for the next exercise, or exit AutoCAD if necessary.
