

Lesson 19.1

The Social-Emotional World of School-Age Children

Before reading this lesson, use your notes from this lesson’s reading and writing activity to illustrate the social-emotional development of infants, toddlers, and preschoolers in the comic strip squares. Then, as you are reading, illustrate the social-emotional world of school-age children. Use as many comic strip squares as you want.

Infants				
Toddlers				
Preschoolers				
School-Age Children
