Chapter 8: Learning About Work

Copyright Goodheart-Willcox Co., Inc.

Across

- 2. Job.
- 4. A desire or drive to achieve and succeed.
- 7. Benefits offered to full-time employees, including paid vacation and holiday time, sick leave, health and life insurance plans, and retirement benefits.
- 9. People who provide aid and assistance for individuals. This includes emotional and instrumental support.
- 10. Paid jobs.

Down

- 1. When two people do the same job, but work at different times of the day or week.
- 3. A work program in which an employee works at home by connecting electronically to a central office.
- 5. The sequence of jobs you have over a period of years.
- 6. Freedom to work hours that are convenient to an employee's personal situation.
- 8. All the smaller duties you perform throughout the day.
