**Chapter 21: At the Table—Read, Discuss, and Analyze Activity**

**Dining Out**

**READ the case study**

Sonia is the captain of her school's tennis team. The season has just ended and Sonia is organizing a lunch to celebrate the team's hard work and victories. After sending out ten Regrets only invitations, Sonia received three responses. The team will be going to a family restaurant that has ethnic cuisine. There are some items on the menu that Sonia has tried and enjoyed, but there are also meals and ingredients that Sonia has never heard of before.

**DISCUSS this question in class:**

How should Sonia react if one of her teammates selects an unfamiliar meal and offers Sonia a sample?

**ANALYZE the following statements about the case study to decide which are true and which are false.**
