

# Chapter 11

Name \_\_\_\_\_ Date \_\_\_\_\_ Period \_\_\_\_\_

## Lesson 11.1 Graphic Organizer

# Understanding Communicable Diseases

Fill in the graphic organizer below to increase your knowledge and awareness about pathogens that cause communicable diseases. As you read Lesson 11.1, list three key points about each type of pathogen identified in the organizer. Then, list a disease that each may cause.

### Bacteria

- 1.
- 2.
- 3.

### Viruses

- 1.
- 2.
- 3.

### Fungi

- 1.
- 2.
- 3.

### Protozoa

- 1.
- 2.
- 3.
