Other Types of Violence

You learned about abuse, neglect, bullying, and cyberbullying in Lessons 15.1 and 15.2. In Lesson 15.3, you will learn about other types of violence. As you read this lesson, create a word map to organize what you learn about violence. An example word map is shown to the left. Write “Other Types of Violence” in a bubble in the middle of the page and fill in topics relating to violence in surrounding bubbles. Continue to categorize and explain related topics until you complete the organizer.
