Exercise 26-1

1. Display the **Action Recorder** panel in the **Manage** tab of the ribbon.
2. Pause the cursor over each button to display tooltips.
3. Make note of the name and function of each button.
4. Pick the **Available Action Macro** drop-down list in the panel. Are there any actions available?
5. Expand the **Action Recorder** panel. Is there any action tree displayed?
