Exercise 19-1

1. Open the drawing EX18-1 created in Exercise 18-1. If you have not completed this exercise, do so now.

2. Render the drawing.

3. Zoom in and out on the rendering in the image pane.

4. Look at the information in the history and statistics pane. As you will see in the next section, this information reflects the render preset settings.

5. In the history and statistics pane, right-click on the history entry to display the shortcut menu. Save the image as EX19-1.jpg.

6. Close the drawing without saving.
