

Exercise 4-12

1. Continue from Exercise 4-11 or start AutoCAD.
2. Start a new drawing from scratch or use a decimal-unit template of your choice. Save the drawing as EX4-12.
3. Draw a donut with a 1.5 inside diameter and a 4.5 outside diameter.
4. Draw a donut with a 0 inside diameter and a 4.5 outside diameter.
5. Turn the **FILL** mode off and enter **REGEN** to see what happens to the donuts.
(The **REGEN** command regenerates the drawing screen.)
6. Turn the **FILL** mode on.
7. Draw two more donuts.
8. Resave and close the drawing.
9. Continue to practice using the **DONUT** command by completing act04-12.dwg available on the companion website.
10. Keep AutoCAD open for the next exercise, or exit AutoCAD if necessary.
