Exercise 9-5

1. Continue from Exercise 9-4 or start AutoCAD.

2. Open the EX9-4 file you saved during Exercise 9-4.

3. Save a copy of EX9-4 as EX9-5. The EX9-5 file should be active.

4. Double-click on the mtext object to open the text editor.

5. Change the text boundary justification to a few different options to see the results. Change the justification back to top left.

6. Type a new paragraph. Type any text of your choice.

7. Select some text and set its tracking value to 2.

8. Pick the **Close Text Editor** button.

9. Resave and close the file.

10. Continue to practice using the **MTEXT** command by completing the activity in act09-05.dwg available on the companion website.

11. Keep AutoCAD open for the next exercise, or exit AutoCAD if necessary.
