# Exercise 12-3

See act12-03.dwg available on the companion website.

1. Open drawing EX12-2.
2. Use the **Offset** option of the **SOLIDEDIT** command to edit the original solid objects shown in the following illustration. The dimensions are not important.

Original Objects

3. The modified objects should resemble those shown in the following illustration.

Modified Objects

4. Save the drawing as EX12-3.
