

Exercise 18-1

1. Open the drawing EX17-1 created in Exercise 17-1. If you have not completed this exercise, do so now.
2. Render the drawing.
3. Zoom in and out on the rendering in the image pane.
4. Look at the information in the statistics pane. As you will see in the next section, this information reflects the settings in the **Advanced Render Settings** palette.
5. In the history pane, right-click on the most recent entry to display the shortcut menu. Save the image as EX18-1.jpg.
6. Close the drawing without saving.
